

Patent Pending!

SLOT & TAB SYSTEM

Designed for Strength. Engineered to Last.

Already known as the industry leader in steel support systems, LeMar is taking it up a notch with an enhanced slot & tab system:

- Unmatched consistency for easy assembly
- Superior precision for quality product
- Exceptional connection strength
- FEA engineering optimizes connection
- Patent pending design

Now available on select products, the revolutionary slot & tab system is being rolled out as a standard option on all LeMar equipment.

We're taking it to the next level, why don't you join us?
